

Transform your venue, transform your event

An architecturally inspired concert venue, an expansive trade show floor and an elegant setting for gala dinner.

These transformations are all possible at Club Regent Event Centre. This venue allows event planners to reconfigure the floors plan, seating arrangements and lighting scheme specifically to meet your needs.

Club Regent Event Centre lets you create the perfect combination of ambiance and entertainment.

Trust the details to our hospitality experts

Our team of event coordinators, entertainment specialists, decorators and caterers can turn a moment of inspiration into an unforgettable experience. Entrust your culinary desires to our executive chef and their team of experts and they'll present your guests with memorable dining that matches your special event.

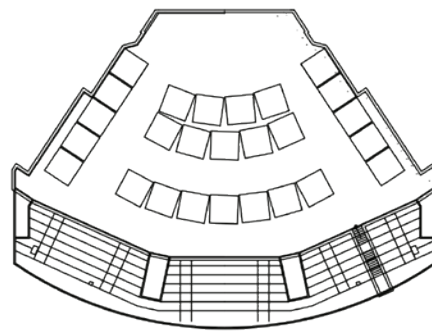

Customize our venue for your event
